County Services Building, Room 209

Topic	Lead	Discussion and Action Items
Call to Order* Motion by: Kathy Second by: Natty Determine the meeting has been posted as mandated by Law – agenda posted on June 4, 2021	John Wenum, Chair	*Approval of May 11, 2021 Minutes*:* Motion by: Steve Second by: Kathy
Medical Advisor Report	Cassondra Kovach, MD, Medical Advisor	

Health Officer Update
- County Committee Powers and Duties Resolution Approval* (draft given day of)
- Environmental Health Update
  o PFAS
  o Wood County Water Lab
	Amanda Dederich, Health Officer	Draft of the County Committee Powers and Duties was compiled following state statue 251.03, local board of health; members.
		
		OLD: The board of health shall consist of three county board members and three non-members, of which two shall be from the medical profession.
		
		NEW: In accord with Wis. Stats. § 251.03(2), the board of health shall consist of not more than 9 members, not less than three of which shall be non-members of the county board, two of whom shall be from the medical profession.
		
		New language may contain a double negative making it confusing.
		
		Motion to propose amendment to use statue's language by Steve, second by Kathy.*
		
		PFAS webinar/pane discussion is Thursday, June 10, 10am. Dustin Ladd put together panel with the DNR to discuss possible contamination at Volk Field.

		Wood County water lab was funded in part from Juneau County. Because of high demand so early and earmarked money, they are able to self-sustain. $17,000 possibly coming back to the County. Need to find out where the funds originally came from. Some of the funding may have come from Communicable Disease $3,700. Should the funds come back to the Health Department, the county, or stay in a water fund for future use? Does Hardwood Range have any contamination from the activity there? Earmark for water if allowable? Check for restrictions before money comes back to us. County Board of Supervisors approved reclass. Proposals due by July 1st. A space will be created for the board and HO to review and approve proposals. Reviewing support staff and nursing positions. Motion to move forward with reclassification needs motioned by Steve, second by Natty.*
Public Health Program Update - PHN Update - COVID Update	Tina Sullivan, Public Health Supervisor, Nursing	Round two for ad and recruiting offer was accepted and rescinded. 2 of the 3 candidates were making more than what the Health Department could offer. Round three ok'd to leave open until filled. Contact tracing is down to one individual that would be done by September. Testing ok'd to biweekly at New Lisbon community Center. 11 people at the last testing site. 5 cases in the last week. 6 active cases in the county. Vaccine rates: JC is lagging behind the state. State 49% one dose, JC is just below 40%. Vaccination continues with HD and community partners. 45 people showed for last J&J drive through clinic. Working with

		community partners looking into Summer events (summer schools) to hold clinics.
WIC Program Updates - Current Case Load: 1010, 906 participating, 933 enrolled - WIC Update - Support Person Resignation	Cheryl Levendoski, WIC Director	Public Health Tech resigned. Took another position with higher wage. Recruiting starting soon. Hoping to have position filled by August 1. Participation continues to go down. Increases in food share impacts participation.
Community Health Updates - CHE-SAFE Position - Community Health Assessment Update	Tara Ennis, Public Health Supervisor, Community Health	CHE Safe position accepted offer and rescinded due to competitive pay. Candidate to start in July from third round of interviews. As of Thursday, Youth Engagement coordinator put in her resignation. Location is a big factor in hiring a CHE. Motion to refill CHE positions by Kathy, second by Natty.*
