## **Scheduling an IDP Assessment**

If you have been ordered by the court to complete an IDP Assessment, you must pay \$50.00 in cash or money order before an appointment will be scheduled. Once the down payment has been paid, you will be scheduled for the next available IDP appointment. The remaining balance of \$225.00 is due on the date of the scheduled IDP appointment.

## **The Assessment**

The IDP assessor conducts a specific type of assessment (Intoxicated Driver Program or IDP Assessment) for the Court ordered program, and based upon the results, the person is referred to the appropriate education or treatment program. A Drivers Safety Plan outlines the recommendation of the IDP Assessment and gives the timeline for completing services. The person must follow the recommendations of the assessment in order to remain in compliance with plan or the Department of Transportation may suspend his or her driving privileges.

## **IDP Appeals Process**

Clients have the right to challenge the recommendation of the IDP Assessment. There is an appeals process specific to the Intoxicated Drivers Program. If you wish to appeal the results of your IDP Assessment you should start by discussing this with the IDP Assessor and follow the IDP Appeals Process.
