Wood Co had COVID-19 testing last weekend and only 3 individuals from Juneau Co participated, this reinforces the fact we currently do not need testing in Juneau Co at this point. We are working on rewording and better defining terms used to label patients. The range of symptoms is quite drastic and it's safe to assume it is community spread.
<p>WIC Program Updates</p> <ul style="list-style-type: none"> <li>- Update on WIC services during COVID-19</li> <li>- Staffing change request</li> </ul>	Cheryl Levendoski, WIC Director	WIC has two people working from home during the week and one in office. In March congress passed the Families First Act stating participants are not required to come into the office for blood work or heights and weights. WIC continues to be busy and is working diligently with social media to advertise we are still open and can provide benefits in a safe manner. The WIC director position will become a full time position beginning June 1, 2020.
