Topic	Lead	Discussion and Action Items
<p>Call to Order*</p> <p>Determine the meeting has been posted as mandated by Law – agenda posted on June 5, 2020</p>	John Wenum, Chair	<p><i>Approval of May 12, 2020 Minutes*:</i> Approved by: John Wenum</p>
Medical Advisor Report	Ann Hoffman, MD, Medical Advisor	Providers can provide COVID testing for symptomatic and asymptomatic clients
<p>Health Officer Update</p> <ul style="list-style-type: none"> - Contact Tracers – LTE request - COVID-19 - funding - Hiring Update – CHE Youth Engagement - Hawthorne update 	Amanda Dederich	<p>Currently have 15 volunteer and 6 employees trained for contact tracing. If we use employees long term, there is concern their program will suffer. Would like to hire a volunteer(s) for a LTE position.</p> <p><i>Approval to hire for LTE contact tracers*:</i> Motion by: Natty Kranz Second by: Kathy Noe</p> <p>Currently have almost \$300k for the COVID-19 pandemic. The money is very siloed and the state and federal government are very specific as to which monies can be spent where. There are several different streams of money with different ending dates.</p> <p>CHE position offered to Lydia VanBeek. Her start date is June 22 and her first several weeks of orientation will be via Zoom.</p>

		Had to reschedule the Hawthorne training due to COVID-19 as a lot of it is interpersonal. Funding ends June 30.
Public Health Program Update - Communicable Disease update	Tina Sullivan, Public Health Nurse	Currently have just over 21k cases of COVID-19 in the state of WI. A majority of public health nursing time is directed at pandemic response. We had an estimate of 170-175 people get tested at the community testing site held at Olson Middle School. Test results are dumped into the WEDSS system and it takes quite a bit of time to sift through the results. MBMC in looking into doing antibody testing.
WIC Program Updates - Full-time WIC Director - Current remote WIC services provided/Intake - Plan to transition back to WIC In-Person during COVID-19 Pandemic	Cheryl Levendoski, WIC Director	On 5-19-20 the County Board approved the part time WIC Director position to go full time due to an increase in WIC funding. The current WIC Director will stay in that position. WIC currently has two people working remotely with benefits being issued over the phone. USDA has approved benefits being added over the phone until the end of June.
Public Comments		
Closed Session Pursuant to 1.85(1)(c) for Staff Evaluations	Board of Health
