

INDUSTRIAL AND RECREATION COMMITTEE Minutes

April 9, 2019

10:30 a.m.

Mitotec Precision Products (formerly known as Necedah Screw Machine Products)

Location: 1301 Precision Parkway, Necedah, WI

The April meeting of the IRC was called to order at 10:30 a.m. by the Committee Chair Feldman. Feldman, Jasinski, Parrett, and Extension Agent Kirking in attendance.

John Belmonte provided an excellent overview of Mitotec Precision and provided an in depth tour of the machine shop floor and their processes and products. They are currently preparing for their new machine center that will provide 6-8 heads of machining capability with an investment of over \$1,000,000.

Committee members provided updates on economic development activities in the county. Chairman Feldman provided an overview of the Baraboo River Phase II project. Kirking provided an overview of Extension projects and updates.

Next committee meeting on May 16, 2019.

Meeting was adjourned at 12:15.

Respectively submitted,
Gary Kirking
Temporary Acting Secretary
