Focus on strengths, review policy&procedures, will be at Hillsboro Brewing Co. We want to serve our clients well; dovetails with our strategic plan. Trauma and Resilience speaker Robin Matthies has knowledge and experience with ACE's. Community Health Educators are more cost effective. Would like a health educator to help with community needs assessment and Health Plan. Smoke free is now updated to include e-cigarettes. There was talk of possibly discontinuing fluoridating the water; we believe that would be a huge loss. Separation of chlorine and fluoride is not in compliance. Will NOT be discontinuing the fluoridation process.</p>

<p>Environmental Health</p> <ul style="list-style-type: none"> - Juneau County Water Testing Program update - Armenia MOU - Speaker's Task Force on Water Quality Public Hearing - Blue green algae training and beach monitoring 		<p>JCHD did have a dental representative in the past and the BOH does support the idea. Would like someone who is vested in the community. Not sure if we would like a dentist or RDH???</p> <p>Annual report will be out shortly.</p>
