Medical Advisor Report	Cassondra Kovach, MD, Medical Advisor	
Health Officer Update	Amanda Dederich, Health Officer	

<p>Public Health Program Update</p> <ul style="list-style-type: none"> - PHN Resignation & Rehire* - NFP HV COIIN - COVID – 19 Update 	<p>Tina Sullivan, Public Health Supervisor, Nursing</p>	<p>Motioned by Natty to hire PHN, second by Kathy.</p> <p>18.7% of WI population is eligible for the vaccine. 21.4% eligible in Juneau County. More than 60% of Juneau County’s 65 + population has been vaccinated. The Health Department is currently vaccinating child care providers and people in the food industry.</p> <p>Testing numbers are down. 30-40 people are being tested. New testing schedule will be every other Monday from 12-4.</p> <p>A bill to attempt to restrict local health officer authority was proposed. If passed, the bill would require that any order to close or limit capacity at a business due to a public health risk apply to all businesses equally in a jurisdiction. And the legislation would require a local health officer to obtain a court order prior to requiring anyone to self- isolate for any contagious disease.</p>
<p>WIC Program Updates</p> <ul style="list-style-type: none"> - Current Case Load: total participating 957, total enrolled 930 - 2020 Famers Market Nutrition Program – Final Report - WIC Special Project Innovation Grant (WSPI) - Update on progress of Kwik Trip as a WIC vendor 	<p>Cheryl Levendoski, WIC Director</p>	<p>Farmers Market final report indicated 477 families received checks totaling \$30. 148 families did not use any of the checks. Juneau/Adams had a 43% redemption rate and the State’s average was 37%. The new stand in Camp Douglas was successful. The Mauston site had less than \$100 in sales.</p> <p>WIC did not get the WSPI grant for the WIC van. It would take 280 days to get a mobile unit and reporting needs to be done before that.</p> <p>WIC vendors are needed in Juneau County as participants are having a hard time getting to stores. WIC conducted a survey on the importance of getting Kwik Trip on as vendor. The survey was sent to 545 families with 224 yes responses</p>

		indicating they would like to see Kwik Trip as a vendor. Kwik Trip would have to update their registers creating a big expense. WIC redemption rate is at a statewide low at 38% .
<p>Community Health Updates</p> <ul style="list-style-type: none"> - Community Health Assessment Survey - Overdose Fatality Review Grant - Rehiring SAFE Coordinator position 	<p>Tara Ennis, Public Health Supervisor, Community Health</p>	<p>Will continue to accept surveys through the end of the March. Received 1,200 responses so far.</p> <p>OFR grant started March 1st and will go through August. The second grant, if approved, will run for a year beginning September 1 in the amount of \$35,000. First meeting is scheduled for August 1st.</p> <p>Three candidates will be interviewed on Friday for the SAFE position.</p>
