

# LEPC MEETING

June 20, 2018, 10:30 AM  
 Juneau County EOC  
 200 Oak Street  
 Mauston, WI 53948

## Meeting Agenda

### A. Call to Order

### B. Roll Call

### C. Minutes of: March 21, 2018 LEPC Meeting

### D. Public Concerns.

### E. Old Business

1. **WISCOM Radio System Update** – The “Scope of Work Agreement” was completed between Juneau County, Elert & Associates and EF Johnson on system requirements, upgrades and improvements that will be made to the radio system. The CDR “Critical Design Review” will be completed July 10-11, 2018. EF Johnson has ordered equipment for completing system improvements.
2. **Radio Towers** - New free standing radio tower is being constructed on the south side of the Justice Center. The foundation was poured May 24, 2018. Tower construction will start June 25, 2018. Due to the demolition of the annex building, the old tower will have the top four sections removed, guy wires dropped down. This required relocation of one guy wire which was completed on May 21, 2018 so that the demolition could start. A new heating /cooling system was installed at the north tower on May 31, 2018.
3. **2016 Exercise Grant for Juneau County Update** – The midterm planning meeting for the full scale exercise involving the “Long term loss of electrical power” due to an ice storm was held on May 9, 2018 at the Mauston Public Works Building from 1000 – 1200. The Final-Planning Meeting was held on June 7, 2018. The full scale exercise is scheduled for July 18, 2018.

### F. New Business

#### 1. Hazmat Team Report

- a.) Lyndon Station Fire Department has asked to take over the county hazmat team duties and response to hazmat incidents. Eight members have turned their applications into Gervase. Applications are being completed by the remaining team members. Once these applications are received, classes and training will be scheduled for team members depending on their current level of training.

**2. JCPPP Report** – Barb Theis

**3. ARC Report** – Michelle Tischer/Ryan Avery

**4. Hospital EM Report** – Mary Crowley

**5. DNR Report** – Melissa Gilaume-Cappaert, Chad Nichols

**6. Updates** – Off-Site Facility Plans – Three (3) updated Off-Site Facility Plans have been completed for Land O’ Lakes; Union Center, WI. Walsh Bio Fuels, LLC.; Mauston, WI. Stone’s Aerial Applicators; Nekoosa, WI. Still waiting for Frontier Communications to Return the “Request for Information.” so their plan can be updated.

**7. Flooding Issues in Clearfield Township & Northern Juneau County** – We are waiting on action from the Army Corp of Engineers. They advised the funds for the study have been allocated by the federal government. Matt Komiskey is currently working with the Army Corp of Engineers and the EM Office on streambank and shoreline erosion protection in Juneau County.

**8. Estimates for concrete floor in Emergency Management Storage Building.**  
Received two bids, work to be completed in the near future.

G. **Other Business**

1. Any other business to come properly before the LEPC Committee for discussion.
