Discussion Ensued on the following Office Business:

Office Update:

1. Colin said the Fall WI CVSO Conference will be held in Fond du Lac, but neither of us will be attending, since we both attended the Spring Conference, we are up to date with the required continuing education training.
2. Security Camera – Colin mentioned he would like to get a security camera to be placed in our lobby area so we know when Veterans are here. There have been times when Veterans are sitting there and we don't see them, or they don't let us know they are there, and leave. The Committee agreed for this purchase.
3. We have been seeing more Veterans, some are coming from surrounding counties due to many CVSO offices having appointments booked out 2-3 months. The Committee was given some of the information we provide to Veterans who file claims.
4. Jack mentioned the Wellness Program at the Tomah VA, Colin said it's a program to help Veteran stay healthy, as well as, preventative screenings for mental health conditions to identify any issues.

Old Business: None

New Business:

1. Brochure Racks – Colin mentioned we would like to get new brochure racks in our waiting area, as some racks are sitting on the floor. The Committee agreed for him to look at different ones.

The next Committee/Commission meeting:
