

Our Missions Statement

Providing quality services for individuals and families in a safe, supportive, respectful partnership by promoting health, well-being, and self-sufficiency.

Our Vision

To promote safety, well-being, and self-sufficiency for the individuals and families in Juneau County. We will achieve this by:

- Promoting unity and commitment in all aspects of their job performance.
- Remain open-minded to ideas and suggestions of others.
- Provide person-centered services in the least intrusive and least restrictive way possible.
- Collaborate within the Department of Human Services and its community partners.
- Function with integrity in all matters.
- Manage public resources responsibility.
- Acknowledge and respect the values and beliefs of others in a courteous and responsive manner.
