About Child Support

Applying for Services:

- All families may apply for child support (case management) services at their local child support agency without paying an application fee. Parents can download an application form from dcf.wisconsin.gov.
- If you are in an aid/benefit program, you automatically get child support services. Aid/benefit programs include W-2, SSI Caretaker Supplement, Kinship Care, WI Shares (child care), and federally-financed foster care programs. If the BadgerCare Plus program refers you to child support, you will automatically get services. Getting help from the aid/benefit program depends on your cooperation with the child support program. When you no longer receive these benefits, child support services will continue.

Important to Know:

- Having a court order for support does not mean you are receiving case management (child support) services from your county or tribal child support agency. You need to apply for services if you are not in an aid/benefit program listed above.

- If you are now getting cash benefits from the W-2 or SSI Caretaker Supplement programs, you will only get a part of the paid child support. Please see the "Guide to W-2 Services, Cash Benefits, and Child Support," available online at dcf.wisconsin.gov and from your child support agency.

Support payments

- Child support is sent to parents in one of two ways – direct deposit or the Wisconsin Support Collections Debit Card. If you do not sign up for direct deposit, you automatically get the debit card. (A paper check can be issued under unusual circumstances if approved by your child support agency.)
- You choose which way is best for you. If you sign up for one method, you may later switch to the other. If you want direct deposit, you can download the application form at dcf.wisconsin.gov or call the Wisconsin Support Collections Trust Fund weekdays, from 8:00 AM–5:00 PM at:

(800) 991 – 5530 toll-free

(877) 209 – 5209 toll-free TTY
