

INDUSTRIAL AND RECREATION COMMITTEE Minutes

June 12, 2018

10:30 a.m.

Location: Juneau County Board Room, Mauston, WI

Chairperson Feldman called the meeting to order at 10:30. Committee process paperwork completed and agenda reviewed. Attendees included Ray Feldman, Jack Jasinski, and Gary Kirking. Committee member James Parrett was not in attendance.

Chairman Feldman provided an update on the Baraboo River canoeing project.

Erin Lund, current ALP participant, joined the meeting to share information on her position at Sand Ridge Treatment Center, and her personal experience of being in the Advanced Leadership Program this past year. Members had a variety of questions for Erin to respond to.

UW-Extension Community Resource Development agent Kirking provide an overview of UW-Extension activities and initiatives with the committee. Included were updates on the ALP program and graduation, the upcoming conference of Workforce Development Economists from around the state—hosted in Juneau County, the water quality issues in northern Juneau County, the ALP State Government seminar in Madison, and other items.

New business developments in the area and updates on local economic issues were discussed.

The meeting was adjourned at 11:48 a.m.

Respectively submitted,

Gary Kirking
Temporary recording secretary
