

Executive Minutes  
July 9, 2018  
8:30am

Committee present: Peterson, Kelley, Willard

Others present: Treptow, Granger, Niles, Cottingham, Kleifgen Laskar, Koca, Fischer

Meeting called to order by Peterson. 8:30am

Willard made a motion to approve June 11, 2018 minutes seconded by Kelley. All in favor.

Katie Fischer gave handouts on information to get a different cot and uniforms for the deputies. The cot they have doesn't work well and the uniforms should represent the medical examiner's office.

Kelley made a motion to approve this and have it taken to County Board for approval. Katie will have to get 3 bids and stay within the \$10,000.00 she has in her budget. Willard seconded it. All in favor.

Katie also asked for a parking spot for the medical examiners vehicle. Willard will tell Al in maintenance to move the white truck and park it somewhere else and the medical van can park there.

Cottingham brought up the 55 plus program. There was discussion on how the program works and it was decided to go to County Board to rescind the 55 plus resolution already presented to the County Board.

Discussion on resolutions and motions to fill for County board meeting on July 17, 2018.

Peterson adjourned the meeting at 8:57am.
