 5. WEM Training for County
Need to find a 4-hour time slot in October to hold training for senior officials. Discussed that starting around 8:30 a.m. would be best. Jeremy will reserve room 209 in the Services Building for the training. Participants include officials from cities, townships, villages, and county board members. Will educate on roles and responsibilities in the event of a mass incident, and will also go over ICS. Instructor will be from the State.
 6. HAZMAT Grant Application
Submitted HAZMAT grant application July 14. Working with Lori Chipman for a grant match.
