

MINUTES FOR AD HOC GROUP
JULY 8, 2016

In Attendance: Ann June, Terry Kleifgen, Greg Lowe, Barb Theis, Candy Glick, Dennis Weiss, April Kennedy Lee, Lori Chipman

Absent: Ray Senzig, Lutrelle Manna and Colin Moten

Approval of the April 21, 2016 Minutes:

- 1ST Greg Lowe
- 2ND Candy Glick

ITEMS DISCUSSED:

1. Employee Benefit Package for 2016/2017
 - Lori provided the following information to the group:
 1. The levy rate is flat in Juneau County, which impacts the county's budget. New construction levy rate in the county is not known as of this date.
 2. An increase 6.6% to 6.8% to the state retirement plan is expected
 3. Health insurance rates will not be known until September 1, 2016
 4. The county budget is in the red due to a deficit in the DHS budget

It was felt the group should wait to make a final decision on what employees should request from the County Board for a raise for the 2016/2017 year until all the numbers are in. A tentative suggestion at this time would be 1%.

2. Adjourn – next meeting is September 9, 2016 at 8:15 a.m. in Room 1
