OLD BUSINESS:

4. Monthly Financial Report is being put together by Charlene Norberg as we have funding from Coronavirus aid relief, this is additional funding to help support meeting the needs of individuals throughout this pandemic.
5. ADRC Operations Report – Information and Assistance, Elder & Disability Benefit Specialist, Outreach, Budget, Regional Board Meeting.- Charlene reviewed the monthly Dashboard report. Numbers are slightly down due from April due to the coronavirus pandemic but should start leveling back out for the month of June. As the county works on a soft opening we are still trying to keep minimal people in the office to prevent the spread of illness. I&A specialist have asked about home visits and at this time we are advised not to do so. We are serving our clients over the phone the best we can and drop offs as necessary. EBS & DBS have continued to stay busy working remotely, caseloads remain stable. We have put together a cow for the dairy promotion counsel, had a drive through service to give out farmer's market vouchers to our seniors and plan on having a grand opening for the Camp Douglas meal site. Met virtually with the Regional office to check in on how other counties are doing through this pandemic.
6. Update on Staff wages for 2021 – Not approved at this time, personal committee is on a re-class freeze
7. Follow up on request to purchase dining site printers- Charlene priced HP printers for Dining program managers at \$119.00 a unit
Iny made a motion to request 5 printers at \$119.00 each. Motion seconded by Mary Alice Lasswell. All in favor. Motion carried.
