MEMO: COVID-19 OUTBREAK IN JUNEAU COUNTY ESTABLISHMENT

The Juneau County Health Department is reporting a COVID-19 outbreak at Cruisin' Chubbys in Wisconsin Dells. An outbreak is defined by the Wisconsin Department of Health Services as two or more laboratory-confirmed cases of COVID-19 in the same facility or associated with a single event, with onset within two maximum COVID-19 incubation periods of each other (28 days). The health department and the establishment have been working together to review and strengthen existing prevention measures.

If you visited this establishment between June 10 and 14, you may have been exposed to COVID-19. If you are experiencing any symptoms (headache, fatigue, cough, shortness of breath, fever, digestive discomfort), please contact your healthcare provider. You can view a full list of symptoms here: <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

COVID-19 can spread from person to person. There is currently no vaccine and no treatment, so prevention is key. To stop the spread of illness, it is important to:

- Practice social distancing and keep six feet of distance between you and non-household members.
- Wash your hands frequently with soap and water for 20 seconds, or use hand sanitizer.
- Wear a cloth face-covering while in public.
- Stay home when sick.
- Avoid touching your face.
