PUBLIC NOTIFICATION: COVID-19 EXPOSURE AT NECEDAH AREA SCHOOL DISTRICT

The Juneau County Health Department, Adams County Health and Human Services-Division of Public Health and Necedah Area School District are reporting two positive cases of COVID-19 at the Necedah Area School District building in Necedah, WI.

An outbreak is defined by the Wisconsin Department of Health Services as two or more laboratory-confirmed cases of COVID-19 in the same facility or associated with a single event, with onset within two maximum COVID-19 incubation periods of each other (28 days).

The Necedah Area School District, in collaboration with Juneau County Health Department and Adams County Health and Human Services-Division of Public Health are actively completing their investigation regarding the positive cases. The cases have been determined to be contained, and the Health Departments identified those with “close contact” and requested that they be quarantined. In addition, the health departments and the school district have been working together to review and strengthen existing prevention measures.

The school building remains closed to any organized activities until the July 20, 2020 board meeting. At that time, considerations will be made to determine the extent to which guests and students are allowed back to the building. Please note, if you enter the school building you are required to be masked and use only doors labeled as ‘enter’ and ‘exit.’

If you are experiencing any symptoms (headache, fatigue, cough, shortness of breath, fever, digestive discomfort), please contact your healthcare provider. You can view a full list of symptoms here:

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

COVID-19 can spread from person to person. There is currently no vaccine and no treatment, so prevention is key. To stop the spread of illness, it is important to:

- Practice social distancing and keep six feet of distance between you and non-household members.
- Wash your hands frequently with soap and water for 20 seconds, or use hand sanitizer.
- Wear a cloth face-covering while in public.
- Stay home when sick.
- Avoid touching your face.

To receive the most up-to-date information regarding the COVID-19 response in Juneau County, please follow the Juneau County Health Department on Facebook or refer to the Juneau County Emergency Information Page: <http://www.co.juneau.wi.gov/emergency-information.html>
